Nursing Student Opportunities

Join a culture that encourages excellence.

Cleveland Clinic a premier destination for Registered Nurses, and offers a fast-paced environment where nurses learn, grow and remain personally and professionally challenged. Cleveland Clinic is a unique institution; with over 26 institutes and 120 specialties, we offer fields to suit every interest and special talent. The breadth and depth of Cleveland Clinic's specialties in nursing provides opportunities for nurses to excel in their careers while delivering exemplary patient care.

Not graduating this year?

As a nursing student, you can gain valuable clinical experience and skills working as a PCNA or Clinical Technician. Full-time, part-time, and PRN positions are available to meet your schedule and needs.

Click here to view current available [PCNA](#) or [Clinical Technician](#) opportunities.

Nurse Residency Program

An innovative competency and simulation-based program that supports both new graduate nurses. The program is tailored to meet each nurse's unique clinical and professional development needs and culminates in a graduation and career building session.

The follow specialty tracks are available:

- Med/Surg and Behavioral Health
- Critical Care
- Emergency
- Pediatrics
- Neonatal
- Mother/Baby

Qualifications

- Graduate from an accredited school of professional nursing, BSN preferred
- Current state licensure as an RN
