

George Phillips

For State Representative

Campaign Coordinator

Ohio / Ohio House of Representatives Campaign (Unpaid; Reimbursements Provided)

Job Description:

Our campaign is seeking hard-working, bright individuals to work in our Campaign Team. Campaign Coordinators will provide critical campaign support while being exposed to all specialties in a legislative campaign for State office: You will spend time on the phone or in person with the candidate, the general consultant, the campaign manager, and the communications staff, as well as gain experience handling events, outreach, and other functions. You will gain first-hand experience and exposure to state politics and campaign best practices which can be applied to campaigns of any scale.

****Note**** Applicants do not need to live in Ohio in order to apply for this position. Remote opportunities are available.

Campaign Coordinator's Will:

- Conduct field operations, including direct voter contact and polling
- Be trained by seasoned campaign operatives in campaigning best practices
- Learn the inner workings of a legislative campaign
- Participate in weekly conference calls / meetings to discuss progress and game-planning
- Recruit additional volunteers
- Data entry or other tasks as assigned by staff
- Attend and "staff" events
- Assist in fundraising efforts
- Research issues, events, and platforms as directed by the campaign manager
- Other duties as assigned by the candidate or campaign manager

Commitment:

Successful completion of internship will result in a letter of recommendation for your future endeavors and a new network to assist you in your career path.
